

I am delighted to be able to tell you that standards across school have improved considerably since our successful inspection in 2016. The Year 6 progress score which measures the progress that children make in reading, writing and maths between Year 2 and Year 6, put Westbourne in the top 25% of schools nationally. This is a tremendous achievement for the children and staff. Well done to everyone!

School Council

New school council representatives have been elected for each class. They will soon be receiving their special golden sweatshirts so that they can be easily identified by all pupils.

Events

Breakfast Club has now resumed. Children wanting to attend should arrive before 8.30. If your child is eligible for Pupil Premium, the club is free of charge, if not eligible the cost is 50p per session which includes breakfast. Thank you to the families who have taken up this offer. Places are available on a full week or casual basis so please ask at the main office if you would like your child to attend.

Roof Work

I would like to apologise for any inconvenience caused by the over-running of the work to the school roof. The majority of the work is now completed but the contractors may have to return during the half term break for some minor additional work.

Inhalers

Please note that any child who has an inhaler at home must have an inhaler at school. If your child is newly diagnosed with asthma you need to take the health care plan provided by your doctor or nurse to the office and complete a school asthma form.

Bradford Metropolitan Food Bank

Thank you for your generous contributions to the food bank. The collection boxes for dried and tinned goods are situated in the main entrance to school. Contributions will be delivered to the food bank every Wednesday.

Glasses

Just a reminder that if your child wears glasses they need to ensure they have them in school each day. If required, glasses are vital for your child's education and can hinder their education as without them they may not be able to access information on the board or in their books.

Are you eligible for free school meals and Pupil Premium? The Pupil Premium gives your child many benefits including a school uniform voucher, free school meals, free access to Breakfast Club and help towards the cost of school visits. If you want more information about this Mrs Zaman or Mr Mir would be glad to help.

Staff

We would like to welcome Miss Fatima Hussain who has joined our school admin team.

Year 4 have had a busy week back

As part of our digestive system and reversible and Irreversible changes topic we designed and made pizzas. We made the dough ourselves and investigated yeast and how it reacts to heat and sugar. We will now follow our pizzas on their journey through our

digestive systems!

Nut free school

A reminder that we are a nut-free school. No children should be bringing any item of food into school if it contains nuts. This includes items such as chocolate spread and cereal bars.
