

**Wake up Shake up will start on Monday 25th September at 8.30 in the SSA sports hall.
Sessions are free of charge every Monday, Tuesday, Thursday and Friday.**

Parent Partners

We would like to say a very big thank you to our parent partners who kindly funded the water bottle project. The money was raised through Toasty Wednesday and every child in school has been given a brand new water bottle. The parent partners volunteer their time and make toast on Wednesdays for children to have during their break time. The parent partners also get involved in different projects in school.

If you would like to become a parent partner and would like to volunteer your time then please fill out a volunteer's application form that can be obtained from the school office.

Staff

Class teachers in Years 1-6 have been meeting with each pupil in their class to talk about their learning and attitude targets. Each child will have been set new targets for reading, writing, maths and attitude. These are put on to a bookmark and should be with the child for every lesson. Why not ask your child what their target is? You will then be able to support them to reach the target quickly and to make good progress.

Bradford Metropolitan Food Bank

Thank you for your generous contributions to the food bank. The collection boxes for dried and tinned goods are situated in the main entrance to school. Contributions will be delivered to the food bank every Wednesday.

Attendance

Please make sure your child is in school for 8.45am.

Breakfast Club

Children attending Breakfast Club need to arrive before 8.30 am.
