

WESTBOURNE PRIMARY SCHOOL

SUMMER

UNIFORM

Dear Parents, Guardians and Carers,

THE SUMMER SCHOOL UNIFORM

At Westbourne we believe that a school uniform gives a sense of belonging and pride in the school whilst ensuring equality amongst students. In addition, a smart appearance contributes positively to the students' attitude to work and study; it also significantly influences how the school is portrayed to the general public.

Westbourne Primary School is also a Healthy School dedicated to promoting 'Healthy Living'. We continue to educate and promote healthy lifestyles to your children.

During the wonderfully warm summer days we will allow girls at Westbourne to wear thin red and white checked (gingham) dresses with white leggings/shalwar/trousers; boys may wear grey uniform shorts with a white short sleeved cotton/polo shirt to keep them cool.

Children may continue to wear their usual Westbourne uniforms if they prefer.

We are also encouraging all children to wear sun glasses and either a sun-hat or sun cap to shade them from the direct sun light.

It very important that your child/children is/are protecting their skin with sun block to keep them safe in the sun.

Thank you for your continued support in helping
Westbourne Primary School to achieve it's mission
of inspiring excellence and fulfilling potential.

Yours sincerely

Ms B Wardle
Head Teacher
