	Date achieved	Date achieved	Date achieved
Count on and back from any given number between 0 and 100.			
Count in twos.			
Count in fives.			
Count in tens.			
Say one more or one less than any number between 0 and 20.			
Recall number bonds to 10.			
Recall number bonds to 20.			
Recall doubles and halves of numbers up to			

Asia

	Date achieved	Date achieved	Date achieved
Recall all bonds of multiples of 10 to 100.			
Mentally add and subtract a 2 digit and a 1 digit number.			
Know multiplication and division facts for the 2 times table.			
Know multiplication and division facts for the 10 times table.			
Know multiplication and division facts for the 5 times table.			
Know if a number is odd or even.			
Recall doubles and halves of numbers up to 20.			
Say 10 more or less than numbers to 100.			
Count in multiples of 3.			
Count in multiples of 4.			
Count in multiples of 6.			

North Africa

	Date achieved	Date achieved	Date achieved
Know multiplication and division facts for the 3 times table.			
Know multiplication and division facts for the 4 times table.			
Know multiplication and division facts for the 6 times table.			
Add two 2 digit numbers.			
Subtract two 2 digit numbers.			
Know by heart all numbers bonds that total 100.			
Say 100 more or less than any number up to 1000.			
Count in multiples of 7.			
Count in multiples of 8.			
Count in multiples of 9.			

South Africa

	Date achieved	Date achieved	Date achieved
Know multiplication and division facts for the 7 times table.			
Know multiplication and division facts for the 8 times table.			
Know multiplication and division facts for the 9 times table.			
Multiply a 2 digit number by a 1 digit number.			
Divide a 2 digit number by a 1 digit number.			
Count in multiples of 25.			
Double a 2 digit number.			
Count forwards and backwards in positive and negative numbers crossing 100.			
Say 10, 100 or 1000 more or less than any number.			
Count in multiples of 11.			
Count in multiples of 12.			

Australasia

	Date achieved	Date achieved	Date achieved
Know multiplication and division facts for the 11 times table.			
Know multiplication and division facts for the 12 times table.			
Multiply a 3 digit number by a 1 digit number.			
Divide a 3 digit number by a 1 digit number.			
Count on and back in hundredths.			
Divide 1 and 2 digit numbers by 10.			
Divide 1 and 2 digit numbers by 100.			
Halve 2 digit numbers.			

America

	Date achieved	Date achieved	Date achieved
Double any number with up to 1 decimal place.			
Halve any number with up to 1 decimal place.			
Multiply and divide numbers by 10, 100 and 100 (answers up to 3 decimal places).			
Recall the square of numbers from 1 to 12.			
Recall square roots of squared numbers up to 12 (e.g. 144, 121, 100, 81, 64, 49, 36, 25, 16, 9, 4, 1) .			
Recall prime numbers up to 19.			
Multiply and divide numbers mentally using multiplication facts.
