## Statement of intent

The Priestley Academy Trust expects all of its pupils to receive the highest possible quality of teaching and learning within a positive and respectful environment.

Employees at all the schools within the Trust should understand that their behaviour, and the manner in which they conduct themselves with their colleagues, pupils, parents/carers and other stakeholders, sets an example.

The Priestley Academy Trust recognises that the majority of staff members act appropriately and treat others with dignity and respect; however, we consider it important to clarify the expected standards.

This document forms part of a staff member's contract of employment and failure to comply with it, and with the associated school/Trust policies, may result in disciplinary action being taken, including legal action where this is warranted.

This document applies to all staff members who are:

- Employed by The Priestley Academy Trust, including the headteacher
- Employed in units or bases that are attached to the Trust

This document does not apply to:

- Peripatetic staff members who are centrally employed by the Local Authority
- School catering staff employed by FM Catering
- Employees of external contractors

These employees are governed by their employment contracts and any relevant laws pertaining to their activities within the schools, for example, the Data Protection Act 1998.

It is the expectation of the Trust that these employees will respect the contents of this policy.

The nature of the work cannot be seen to bring the Trust/school into disrepute, nor be at a level which may contravene the working time regulations or affect an individual's work performance
- 7.2 Staff will not engage in outside work which could seriously damage the reputation and standing of the Trust/school or the employee's own reputation, or the reputation of other members of the Trust/school community. - 10.2 For the purpose of this policy, a financial conflict of interest is one where there is, or appears to be, opportunity for personal financial gain, financial gain for close relatives or friends, or where it may be reasonable for a third party to take the view that financial benefits may affect an individual's actions
- 10.3 The term 'financial interest' means anything of monetary value, including:
- Payments for services
  - Equity interests
  - Intellectual property rights
  - Hospitality or gifts
- 10.4 Examples of financial interests that must be declared include, but are not limited to, equity interests in services considered for use by the Trust/school
- 10.5 Non-financial conflicts of interest can also come into conflict, or be perceived to come into conflict, with an individual's obligations or commitments to the Trust/school. These interests may include any benefit or advantage, including but not limited to, direct or indirect enhancement of an individual's career, or gain for immediate family or someone with whom the individual has a close relationship
- 10.6 Examples of situations that could give rise to non-financial conflicts of interest include the following:
- Pressure or temptation to accept gifts, inducements or hospitality (please refer to the Gifts & Hospitality Policy)
  - Participating in the appointment, hiring, promotion, supervision or evaluation of a person with whom the individual has a close personal relationship
  - Where a member of staff has or develops a close personal relationship with a colleague
- 10.7 Membership to a trade union or staff representative group does not need to be declared
- 10.8 Staff members will also carefully consider whether they need to declare their relationships with any individual where this might cause a conflict with school activities

- 10.9 Failure to make a relevant declaration of interest is a very serious breach of trust and, therefore, if employees are in doubt about a declaration, they are advised to contact the Trust/school or trade union
- 10.10 All declarations, including nil returns, will be submitted in writing to the headteacher for inclusion on the Register of Business Interests

## Relationships with pupils

- Maintain professional boundaries and relationships with pupils at all times, and will consider whether their actions are warranted, proportionate, safe and necessary
- Act in an open and transparent way that would not lead to others questioning their actions

- Ensure that they do not develop personal or sexual relationships with pupils; this includes sexual remarks and discussing their own sexual relationships with, or in the presence of, pupils
- Only contact pupils via the school's established mechanisms; personal telephone numbers, email addresses or social media platforms will not be used to contact pupils

## Physical contact with pupils

- 12.1 The Trust expects all staff to assess the risk to themselves. It is advisable to be within sight of another colleague.
- 12.2 The Trust understands that there are circumstances in which it is entirely necessary for staff to have physical contact with pupils eg when applying first aid and assisting with intimate care, but staff will only do so in a professional and appropriate manner in line with relevant policies
- 12.3 When physical contact is made with pupils, it is imperative that it is conducted in a way which is responsive to the pupil's needs, is of limited duration and is appropriate to their age, stage of development, gender, ethnicity and background
- 12.4 Staff will seek the pupil's permission, where possible, before initiating contact
- 12.5 Staff will always use their professional judgement when determining what physical contact is appropriate, as this may differ between pupils. As such, the pupil's feelings and wishes will always be taken into account
- 12.6 Staff will never touch a pupil in a way which is indecent, and will always be prepared to explain their actions

- 12.7 Staff will be aware that even well-intentioned physical contact may be misconstrued by a pupil, an observer or anyone to whom this action is described and, therefore, will be prepared to justify their actions
- 12.8 Staff will not engage in rough play, tickling or fun fights with pupils
- 12.9 Extra caution will be taken where it is known that a pupil has previously suffered from abuse or neglect
- 12.10 Physical contact will never be secretive; if a member of staff believes an action could be misinterpreted, this will be reported to the headteacher and appropriate procedures will be followed
- 12.11 Where it is necessary in PE classes for teachers to demonstrate use of equipment, this will be conducted with another member of staff if possible; if a pupil is required to participate, their consent will be given before doing so
- 12.12 If a child is in distress and in need of comfort as reassurance, staff may use age-appropriate physical contact, such as placing their hand on the pupil's shoulder. Staff will remain self-aware of their actions at all times and ensure that their contact is not threatening, intrusive or subject to misinterpretation
- 12.13 Staff may also use reasonable force as a means of physical contact with pupils for restraint purposes; such instances will always be in accordance with the school's Use of Reasonable Force Policy

## Showering and changing

- 13.1 Pupils are entitled to respect and privacy whilst they are changing before/after PE; however a level of supervision is required to ensure that pupils are safe, and that they are not subjected to bullying
- 13.2 The supervision will be appropriate to the needs and ages of the pupils, and sensitive to the potential for embarrassment
- 13.3 Staff will announce their intention of entering the changing room to allow pupils to maintain their privacy
- 13.4 Staff will never change or shower in the same area as pupils

## Transporting pupils

- 14.1 When it is necessary to transport pupils off-site, staff will ensure that the transport arrangements of the vehicle met all legal requirements, they have an appropriate license, and the vehicle is roadworthy, has a valid MOT certificate and is insured
- 14.2 Staff will gain consent from parents/carers before transporting pupils, and will be aware that the welfare of all pupils in the vehicle is their responsibility
- 14.3 Two or more staff will be present in the vehicle to avoid any discrepancy regarding safeguarding concerns

16.4 The Trust understands that some staff members are also parents/carers of pupils at schools within it and, therefore, may wish to make contact with other parents/carers. When doing so, staff will exercise their professional judgement and will not contact family members on social media if this would lead to a conflict of interest

16.5 Staff will remain mindful of their use of social media and their web-based presence; this includes written content, videos or photographs, and views expressed directly or indirectly which may bring themselves, the Trust, school or the school community into disrepute

## Premises, equipment and communication

17.1 School equipment and systems are available only for school-related activities and will not be used for the fulfilment of another job or for personal use, unless specifically authorised by the headteacher

- 18.1 Photographs and videos will only be taken using school equipment – using personal mobile telephones for this purpose is prohibited, in accordance with the Technology Acceptable Use Policy
- 18.2 Consent will be obtained from parents/carers and pupils in the event of any images or videos of pupils which the school wishes to use eg to publish on the website
- 18.3 The wishes of the pupil will also be taken into account when taking images or videos, ensuring that those who do not wish to have their photograph taken or be filmed are respected
- 18.4 The headteacher will always be notified of the proposed use of the imagery or video and the equipment, and ensure that the use of such is included in lesson plans where this is necessary
- 18.5 All photographs and videos will be available for scrutiny, and staff will be prepared to justify the images or footage taken
- 18.6 Careful consideration will always be given to the activities which are being filmed or photographed, in order to ensure that images or videos are not indecent and cannot be misused
