

Dear Parents & Carers

Good Afternoon

This week Year 4 and Year 5 have been camping. Please have a look on WEDUC to see the fantastic activities they have been taking part in. I was very jealous to see the campfire out with the children making yummy S'mores! I did hear that the children need to practice putting up tents and they may have had a little help from the staff!

Massive thank you to all the staff who gave up time with their own families to take our children on this residential visit. Particular thanks to Miss Haigh for organising the whole event.

Boy 87

I had the privilege of talking to a group of Y6 pupils last Friday about their learning. Y6 are currently reading Boy 87 which is about refugees. The children talked with real respect about the difficult topics covered in the book. Earlier in the week they had the opportunity with other Y6 children from across Bradford to go to the stadium and meet the books author. I was very impressed with the work they have been doing in class. If your child is in Y6 please speak to them about their learning.
