

Good Afternoon from Miss Marwood

Our Winter Wonderland Fair is on **Wednesday 14<sup>th</sup> December** and planning is well underway. However, we need everyone's help to make it a success!

Thank you to those who have already donated to our Winter Wonderland Fair. We are still in need of donations of chocolate bars (small and large) for our chocolate tombola. We have had some beautifully decorated sweet jars for one of our stalls. The idea is to decorate a jar in your house colours and fill it with sweets. Remember there are 50 House Points up for grabs for the house with the most jars! Please hand donations to your class teacher by Wednesday 7<sup>th</sup> December.

We held our Environment Awareness day on Thursday – a big thankyou to Year 4 for organising and leading the event. We had speakers from across key stage 2, confidently delivering key messages on how we all need to act to help save our planet - I think we have a few Greta Thunbergs in training! Remember – we can all help to make a small difference, turn off lights when they are not needed, recycle as much as we can and reduce the amount of waste.

### Parent Partners

Last week we welcomed lots of new faces to Parent Partners and we have had another successful week. It is lovely to see this group growing week on week.

All parents/carers are welcome on Fridays at 9am in the SSA.

### School Lunches

At Westbourne we know it is important to try and gather opinions and thoughts of our community to try and help make our school even better.

Please try and find the time to complete this short survey about school lunches. Please complete before the 9<sup>th</sup> December. Click on the link or scan the QR code to complete.

### Cost Of Living Booklet

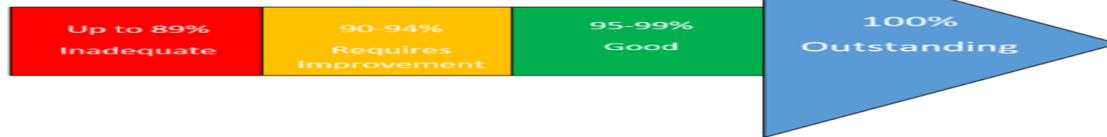

The council have produced a booklet to help support with the cost of living. For further information and to download the booklet please visit

[www.costoflivingbradford.co.uk](http://www.costoflivingbradford.co.uk) It includes information on where support is available from. If you need any further support please get in touch with Mrs Akhtar our Parental Support Worker

### Science Careers

Mrs Smith, our Science lead, would love to hear from parents/carers who work in the science industry – eg, doctor, dentist, nurse, chemical engineer. If you work in a science industry or career we would love to hear from you. Please leave contact details or collect a form from the school office.

# Attendance

## This term's attendance

We are trying really hard to be **above 96%** for this year for the whole school. Well done to classes 5H & 6A for reaching this target this term.

Nursery		AM— 84% PM – 81%	
RS	85%	RG	88%
1A	95%	1P	85%
2P	78%	2S	89%
3B	92%	3C	85%
4S	91%	4M	93%
5A	95%	5H	96%
6A	97%	6M	89%
